GOVERNMENT OF BOMBAY.

GENERAL DEPARTMENT.

Resolution no. P 52.

Bombay Castle, 9th August 1929.

Read reports from the Commissioner in Sind and the Commissioners of Divisions on the administration of Local Boards in their respective charges during the year 1927-28.

RESOLUTION.—*Number of Boards.*—There was no change in the number of District and Taluka Local Boards.

2. *Area and Population.*—Owing to the extension of the area of the Larkana Municipality the area and population of the District Local Board, Larkana, decreased by ·16 square miles and 100 souls respectively. The population of the District Local Board, Bijapur, shows an increase of 40,697, which is due to the omission of the figures for Bilgi Petha from all previous returns of the District.

3. *Constitution.*—The constitution of the District and Taluka Local Boards remained unchanged but in the case of the District Local Board, Sholapur, the administration was transferred to the Collector from 15th December 1927.

4. *Elections.*—The accompanying statement* shows the results of the elections in the Northern, Southern and the Central Divisions during the year under report. In the Bombay Suburban Division no elections were held as the number of candidates was equal to the number of seats for election. In Sind some bye-elections were held but there was no voting at any of them. In the Northern Division lively interest was taken by the voters as well as candidates in the elections. In the Ahmedabad District there were 2 election suits in respect of the Taluka Local Board, Dholka, and in both of them the decisions of the Returning Officer were reversed. In the Central Division the elections failed for the most part to enlist popular interest. In the East Khandesh District the Mahomedan constituencies voted in moderate strength while the non-Mahomedans as a rule exhibited indifference. It is reported that in this district the non-Brahmin community have gained the ascendancy in the local board elections and almost all the posts of importance under the Board fell into the hands of the non-Brahmin party. In Satara District a fair proportion of those entitled to vote exercised their franchise. In the Southern Division the elections were usually uncontested.

5. *Meetings.*—It appears that 3 taluka local boards in Sind, 9 in the Central Division and 2 in the Southern Division did not hold the number of meetings prescribed by section 35(1) of the Bombay Local Boards Act. It also appears that in Sind and in the Southern and Northern Divisions the provisions of section 41 of the Act were freely employed by certain District and Taluka Local Boards for the transaction of business. Government have repeatedly observed that the excessive use of the power to transact business by circular not only means that decisions are taken without discussion but is contrary to the intention of the Act which is to limit the use of this expedient to urgent cases only.

6. *Income.*—The aggregate income of the Boards (excluding opening balance and debt) rose from Rs. 1,86,97,370 to Rs. 1,98,33,901. The principal variations under the main sources of revenue are explained below :—

(*a*) *Local Rates.*—The receipts from this source rose from Rs. 45,05,843 to Rs. 48,24,047. The increase was shared by all Divisions except the Bombay Suburban Division. In Sind the increase was due to favourable inundation and good crops. In the Central, Southern and Northern Divisions it was mainly due to the recovery of past arrears of local fund cess and the revision of assessment.

* Printed as an accompaniment to this Resolution.

(*b*) *Education.*—The receipts under this head rose from Rs. 91,23,904 to Rs. 98,89,376. The increase was shared by all Divisions except the Bombay Suburban Division and was mainly due to the larger grants received from Government.

(*c*) *Medical.*—The receipts under this head decreased from Rs. 2,87,988 to Rs. 2,55,919. The decrease is shared by all Divisions except Sind and the Central Division and does not call for any remarks. In Sind the increase was due to the payment of enhanced contributions towards the maintenance of dispensaries.

(*d*) *Civil Works.*—The receipts under this head decreased from Rs. 33,81,253 to Rs. 32,30,813. The decrease is shared by all Divisions except Sind and is mainly due to less contributions from Government for communications and village water supply. In Sind the increase was due mainly to special grants given by Government for repairs to roads affected by floods.

7. *Expenditure.*—The aggregate expenditure of the Boards chargeable to current income rose from Rs. 1,87,91,454 to Rs. 2,00,39,374. The principal variations under the main heads are explained below :—

(*a*) *Administration.*—The expenditure under this head rose from Rs. 7,06,130 to Rs. 7,35,131. The increase was shared by all Divisions and was due to new establishments and increments.

(*b*) *Education.*—The expenditure under this head rose from Rs. 1,06,87,946 to Rs. 1,19,65,837. The increase was shared by all Divisions except the Northern and the Bombay Suburban Divisions and was mainly due to the enhanced expenditure on primary education.

(*c*) *Medical.*—The expenditure under this head rose from Rs. 11,29,495 to Rs. 11,50,477. The increase was shared by all Divisions except the Northern and the Bombay Suburban Divisions. In the Central Division the increase was due to the opening of additional Ayurvedic dispensaries. In Sind it was due to the increased expenditure on medicines and the payment of enhanced grants to dispensaries. In the Southern Division the increase was due to the payment of contribution to Government towards the pay of Sub-Assistant Surgeons at increased rates.

(*d*) *Civil Works.*—The expenditure under this head decreased from Rs. 53,48,032 to Rs. 52,97,140. The decrease occurred in the Northern and the Central Divisions and was on account of less expenditure on buildings, communications and water works.

8. *Closing balances.*—The aggregate closing balances of all the Boards amounted to Rs. 43,55,478, against Rs. 50,89,225 in the previous year. The closing balances in the case of most of the Boards still continue to be in excess of the prescribed minima, and this is due in most cases to the non-completion of the budgetted works.

9. *Primary Education.*—In the West Khandesh District of the Central Division 47 new schools were opened during the year under report for expansion of primary education on voluntary basis. From the official report on the condition of education in the Nasik District in the year under report it appears that there was a serious drop all round in efficiency under the administration of the School Board and that the members of the Board failed to deal with flagrant corruption among the teachers for communal reasons.

10. *Medical and Public Health.*—Owing to the prevalence of malaria in the Karachi District due to floods, special anti-malarial doctors, one for each division, were appointed to give relief to the poor and needy. In the Central Division 41 Ayurvedic dispensaries were maintained by the District Local Boards. A Public Health Officer was appointed by the District Local Board, Dharwar.

11. *Civil Works.*—In the Districts of Sind, several new buildings were constructed in the year under report. It has been reported that in the Nasik District the expenditure on Civil Works was nearly 30 per cent. less than in the previous year owing to the inefficient management and the quarrels between the Engineer of the Board and the non-official executive. It is gratifying to note that the Ratnagiri District Local Board devoted Rs. 43,000 towards the expenditure

on communications against a provincial allotment of Rs. 40,000. In the Surat and Thana Districts certain new roads were constructed, while three sanitary projects were undertaken at Zadeshwar, Shukaltirth and Nikora in the Broach District.

12. *Water Supply.*—In Sind 20 wells were sunk and various other improvements of water supply were carried out during the year. In the Central Division scarcity of water prevailed in the districts of Ahmednagar, East Khandesh and West Khandesh. It is reported that in the Poona District the improvement of village water supply received very careful attention during the year under report and that a special water supply committee was appointed to enquire where water works were urgently needed and how they could be financed.

13. *Works Committee, Standing Committees, Sanitary Committees, etc.*—In Sind the number of Village Sanitary Committees was 220 as against 219 in the preceding year. It is a matter of regret that in Sind many members of the Works Committee failed to realise their responsibility and took very little interest in the works in progress. In the Central Division, Standing Committees and Budget Committees were appointed by all District Local Boards. The Works Committees were also appointed by all the District Local Boards except the District Local Board, East Khandesh. In the Northern Division, Standing Committees were appointed by all the District and Taluka Local Boards and are reported to have done useful work during the year. Public Health Committees, Village Panchayat Committees, Tolls Committees, Budget Committees, etc., were also formed for efficient execution of work by the District Local Boards, especially of Broach and Thana. The attention of those Boards who have not yet appointed Standing Committees should be drawn to the provisions of section 36 (1) of the Act.

14. *Village Panchayats.*—Village Panchayats have not been constituted in Sind and the Bombay Suburban Division. In the Northern, Central and Southern Divisions, the Village Panchayats on the whole did not show any marked improvement. Factions, illiteracy, want of funds, antipathy to direct taxes, and the apathy of Local Boards are chiefly responsible for the low standard attained by these institutions.

15. *Audit of Accounts.*—In the Bombay Suburban Division the accounts of the Board were audited by the Local Audit Department and the instructions issued by it were duly attended to. No serious mismanagement was reported. Except in the Nasik District there were no serious cases of frauds or mismanagement in the Central Division. In the case of the Nasik District the persons concerned were prosecuted. Petty cases of frauds, etc., in other Districts were suitably dealt with by disciplinary action. In the Southern Division the gravamen of Auditors' complaint concerned the expenditure on public works, travelling allowance to members and diversion of grants-in-aid to purposes other than those for which they were intended. The special audit note on the Public Works Department section of the Dharwar Board has revealed a melancholy state of affairs. Estimates were framed and subsequently set aside or exceeded in utter disregard of ordinary rules of procedure. The expenditure by the Bijapur Board of Government grants secured to it for improvement of village water supply during the years 1925-26 and 1926-27 was grossly unbusiness-like and to prevent the frittering away of the unspent balances the Board was ordered by the Commissioner to refund them.

In the Northern Division the Local Board accounts were reported to have been fairly well maintained and the name of the Viramgam Taluka Local Board has been mentioned as an instance of good account keeping. None of the audit reports on the District and Taluka Local Board accounts showed any serious irregularities. The following irregularities, however, deserve mention as showing the state of Local Board accounts :—

In the Ahmedabad District a gold medal worth Rs. 100 was presented by the Taluka Local Board, Dhandhuka, to a contractor who constructed its office building. Another present of Rs. 25 was also given by the same board for its veterinary dispensary to the contractor. Both these items were objected to in audit as inadmissible for want of special sanction of Government. They were subsequently condoned by Government. During the audit of Chorasi Taluka

Local Board accounts wastage of road material on a large scale was noticed. On enquiry it was found that the District Local Board, Surat, was principally responsible for the wastage. In the Thana District the Bhiwandi Taluka Local Board audit note revealed that the Board's account was overdrawn 3 times during the year 1926-27. For this irregularity the increments of the Treasury Aval Karkun and the Treasury Clerk were stopped and the Local Board clerk was suspended for a time. Among the complaints of the auditors in the year's notes in the Northern Division were :—

(1) Rush of expenditure in March.

(2) Neglect and carelessness in checking musters and measurements by members.

(3) Execution of works before their estimates are approved and the amount provided in the budget.

(4) Non-production of completion certificates of works.

(5) Payment of travelling allowance to members in excess of the amount admissible under the rules ; and

(6) Laxity of supervision on the part of the executive and the consequent inefficiency of the subordinate staff.

In Sind during the year under report, accounts of 59 out of 66 Local Boards were audited but audit notes pertaining to 37 Local Boards only were received during the year. The standing orders of Government regarding the prompt disposal of audit notes were disregarded by the five Local Boards noted below :—

1. Taluka Local Board, Jacobabad.
2. Taluka Local Board, Kashmor.
3. Taluka Local Board, Kandhkot.
4. Taluka Local Board, Sinjhoro.
5. Taluka Local Board, Kotri.

The irregularities brought to notice in audit included the following :—

(1) Delay in the disposal of audit notes.
(2) Inadequacy of action taken on audit notes.
(3) Slackness in the recovery of arrears of dues.
(4) Non-observance of the provisions of the Local Boards Act.
(5) Irregularities in expenditure on public works.

Delay in the disposal of audit notes occurred in the case of the following 4 Local Boards of Hyderabad District :—

1. Tando Bago.
2. Tando Allahyar.
3. Hala.
4. Matli.

The following Boards failed to take adequate action on certain points raised in their respective audit notes :—

Taluka Local Board, Digri.
Taluka Local Board, Naushahro.

From the reports of District officers on the audit of accounts of various local boards in Sind and other Divisions Government find that the accounting system in regard to the expenditure on public works is not satisfactory. This appears to be due to want of qualified hands under local boards. The Commissioners should be requested to urge upon all local boards the advisability of appointing qualified hands to be in charge of public works.

16. *General Remarks.*—The administration of the District Local Board, Bombay Suburban District, during the year under report was progressive under the guidance of its President, Mr. Naik, aided by the efficient work of the Chief Officer and the Engineer.

In Sind, on the whole, the local boards discharged their functions with an eye to the public good. The expansion of the income of the Boards during the year without an accompanying increase in expenditure is not a healthy sign. Some of the Boards, notably the District Local Boards of Karachi and Thar Parkar have accumulated balances immensely in excess of their requirements and the reasons assigned for these swollen balances are not in the opinion of Government

sound. There is an insufficient expenditure on roads, towards the maintenance and construction of which Government contributed grants of no less than Rs. 5,61,000 in the year under report. The crying need in Sind is for roads and until the Boards show greater activity in the matter this need will not be satisfied. Greater attention should also be paid to the provision of medical and veterinary relief.

In the Central Division administration of the District Local Boards except that of Nasik and Sholapur and most of the Taluka Local Boards was on the whole satisfactory. It is reported that the work of the Engineering Department of the District Local Board, West Khandesh, was not altogether satisfactory due to the inefficiency of the engineers employed by the Board. The administration of the Parola Taluka Local Board was not satisfactory. The reports of the District officers and the Enquiry Officer, Mr. A. H. Dracup, revealed the fact that the administration of the District Local Board, Sholapur, was brought to a standstill in the year under report owing to the irreconcilable hostility between Brahmins and Non-Brahmins as well as inability or unwillingness on the part of the members to realise their responsibility. The result was that the Board was superseded by Government for a period of three years and the administration of the Board was placed in the hands of the Collector. The affairs of the District Local Board, Nasik, were also in a state of chaos. Defalcations and corruptions were rampant. The Public Works branch was full of irregularities and the administration of the School Board was a disgrace. The enquiry held by Mr. A. H. Dracup has revealed a condition of affairs which has resulted in a number of prosecutions.

In the Southern Division the year's administration was on the whole satisfactory though the working of the Public Works Section of the Boards still leaves much to be desired.

In the Northern Division the Boards on the whole spent during the year on communications and water supply works much more than the Government grants received by them for these purposes and endeavoured to fulfil the object of Government in making liberal grants to them. It is satisfactory to note that the District Local Boards of Surat and Thana spent large amounts on the repairs of their roads. The most important and unfortunate event of the year was the heavy rain of the last week of July 1927 which resulted in heavy floods that caused considerable damage to the property of local boards and of the people and a temporary cessation of communications in certain areas especially of Kaira, Ahmedabad and Broach districts. It is a matter of great satisfaction that both the official and non-official agency worked shoulder to shoulder in rendering prompt relief to afflicted persons by the distribution of grain for seed, and of food, clothes, medicines, building materials and liberal tagavi grants for allied purposes. The Bombay Central Flood Relief Fund, the Sourashtra Seva Samiti of Ranpur and the District Flood Relief Committees did very useful work in this direction. Grants amounting to Rs. 32,233 were distributed among the affected District Local Boards of Ahmedabad, Kaira, Panch Mahals and Broach for repairs to their school buildings damaged by the storm out of the special grant sanctioned by Government in the Educational Department.

During the year under report an epidemic of plague broke out in the Bulsar, Pardi and Jalalpore talukas of the Surat District but by timely and special measures, the District Local Board, happily stopped it before it assumed a serious aspect.

17. The services of the following gentlemen have been mentioned as having been of special value to the districts in which they held office :—

Mr. S. S. Naik, President, Bombay Suburban District Local Board.

Khan Bahadur H. J. Antia, Chief Officer, Bombay Suburban District Local Board.

Mr. E. P. Mascarenhas, Engineer, Bombay Suburban District Local Board.

Note.—1. The closing balances for 1926-27 were subsequently altered in 1927-28 owing to March final adjustments,

Note.—2. Minus balance for Nagar Taluka Local Board will be adjusted in March final accounts.

† The opening balances vary as subsequent adjustments were made in March final.

‡ The difference of Rs. 4,924 between the closing balances of all talukas of the last year and the opening balances of the year under report is due to adjustment of water supply grant and cattle pound receipts during the March 1927 final account.

§ The difference in the opening balance of Nasik, Igatpuri, Dindori and Niphad talukas as compared with the closing balances of the last year are due to the fact that the sum of advances and deposits were shown against the District Local Board last year instead of the talukas concerned. This change does not affect the total balances. From this year they are being shown against the talukas concerned as per Pay Officers' instructions.

¶ As per annual account.
